

The Gospel Songwriters Music Workshop, Inc. is a not for profit, 501(3)(c) organization that works with the Foundation Fighting Blindness (FFB) in an urgent mission of funding research to provide preventions, treatments and cures for people affected by retinitis pigmentosa, macular degeneration, Usher Syndrome, and the entire spectrum of retinal degenerative diseases.

The VisionWalk team from Gospel Songwriters Music Workshop partners with FFB Tampa Chapter. FFB VisionWalk is a wonderful event where participants meet and work with so many individuals who gather to support the goal of eliminating blindness. Our VisionWalk team goal is to help FFB increase walker participation at VisionWalk events which in turn increases fundraising for sight saving research. If you want to support a worthwhile cause while having some fun along with great food, join us at the annual VisionWalk.
