

2015 1st Place Songwriter

Sister Beverly McDonald

Sister Beverly McDonald was our 1st place songwriting winner for the 2015 gospel songwriters Music workshop. She is the recipient of the SKD Entertainment recording contract for her song, "Joy Down In My Soul," as sung by Mother Betty Keys. This song had everybody standing up, clapping their hands and doing a holy dance. Sister Beverly is no stranger to the workshop and she has held all three positions as songwriting winner during several of our workshops in the past. She is a prolific writer who always brings thought provoking songs that cause you to examine yourself. She is a member of Queen Street Church of God in Christ in St. Petersburg, Florida where she serves faithfully. Sister Beverly has a pleasant manner and a wonderful sense of humor that will keep you laughing; however, her gift for songwriting is no laughing matter. When you start hearing more about sister Beverly McDonald and her music, remember she got her start at the Gospel songwriters Music Workshop.
